EXCITING OPPORTUNITY

Have you dreamt of running your own children's or adults arty/crafty party business
but not sure where to start, how to run & grow it
or have been discouraged by expensive ingoing costs ??

The Opportunity

Due to family circumstances an opportunity has arisen to take forward a really fun, successful, & profitable adult social creative experiences and children's arty party business which generates repeat customers and 5 star reviews.

The right person could grow and develop this existing business quickly using our proven themed bespoke templates and successful formula, based on our 7 years' experience. There is very little cost to set up - or risk to run ** - and you could be profitable in a very short space of time.

It's a turn-key, ready to go, genuine opportunity that only comes around occasionally.

This business can be run from home, anywhere in the UK and affords maximum flexibility to work around childcare and other commitments, without the need for expensive premises/overheads.

In Brief:

The business offers a substantial range of popular, proven, and themed arty parties and experiences suitable for children aged 5 to 11 years.

In addition, it runs social experiences for hen parties, weddings, birthday celebrations, socials.....

Operating off-site at customer's homes, community centres and village halls – which are pre-booked and paid for by the client.

Experiences typically last 90 minutes to 2 hours and are suitable for all abilities.

The Risk:

Very little – with imagination, local contacts, and social media use (which hasn't really been explored) your business could be expanded quickly. You don't need to be a teacher or an artist!

Full training will be given – on all aspects including, marketing, customer liaison, admin – working together to hand over seamlessly. All party templates are available, together with training notes.

All experiences have been developed personally by us and could easily be transferred with training to new owners.

The cost for the above Goodwill: £15,000

Notes:

This business has been developed through word of mouth over 7 years and it deserves to continue and develop in the right hands – we want to make sure that any transition is with someone who shares the passion for working creatively with people of all ages.

This would be YOUR business not a franchise so once you set up you can take the business in any direction you choose. We believe that arty parties and experiences can be run from anywhere.
