

Make your own Jewelled Mirror

Materials needed:

- Thick cardboard
- Thin cardboard
- Acrylic paint
- Gem stones
- Glitter
- Tin foil
- Scissors
- Glue

Instructions:

- Cut the shape of your mirror out of a thick piece of cardboard.
- Paint the front & back and set it aside to dry.
- Cut a smaller piece out of thin cardboard, this will be for the glass part of the mirror.
- Glue a piece of tin foil over this thin cardboard piece.
- Try to keep the tin foil as smooth as possible.
- Cut the foil to the exact shape of your 'glass' piece.
- Glue the foil covered piece to the centre of the mirror shape.
- Decorate around the mirror with glitter and gems
